

The background of the cover is a light cream color, adorned with various intricate floral and geometric patterns. These patterns are rendered in two main colors: a rich golden-brown and a soft, pale blue. The designs are reminiscent of traditional Islamic art, featuring multi-layered mandala-like flowers and complex geometric shapes. Some patterns are solid and prominent, while others are faded or semi-transparent, creating a sense of depth and texture. The overall aesthetic is elegant and sophisticated, suitable for a catalog of mosque carpets.
